WORKS UNDER REVIEW

"Time-to-Death Patterns in Markers of Age and Dependency" (with Tim Riffe, Jeroen Spijker, and John MacInnes)
A re-evaluation of morbidity compression at old ages using new analytic and graphical techniques that characterize age as a function of years lived and of years remaining.

“Kinship inequality in the United States 1910-2009”

An examination of black-white differences in kinship networks, kin availability, and familial life course trajectories in the United States from 1910 to 2009 using microsimulation techniques.

“Kin Availability in the Era of Mass Incarceration”

An examination of black-white differences in the risk and prevalence of incarceration within kinship networks over the course of the prison boom.

PRESENTATIONS

- 2016 - Apr. “Kin Availability in the Era of Mass Incarceration” (with Peter Hepburn) at the *Population Association of America Annual Meeting* in Washington, DC
- 2015 - Apr. “(K)inequality in Black and White Families: a Microsimulation Approach” at the *Population Association of America Annual Meeting* in San Diego, CA
- 2015 - Apr. “Time-to-Death Patterns in Markers of Age and Dependency” (with Tim Riffe, Jeroen Spijker, and John MacInnes) at the *Population Association of America Annual Meeting* in San Diego, CA
- 2013 - Nov. “Simulation, Anthropology, and Population Genetics” (with Carl Mason and Eugene Hammel) at the *Brown Bag Seminar Series* in the Department of Demography at UC Berkeley.
- 2010 - May “Holidays and the Timing of Birth” at the *Graduate Research Symposium* in the School of Public Health at Yale University
- 2009 - Jun. “Age Stereotypes, Elderspeak, and Public Health” (with Becca Levy) at the *Perspectives on Aging Seminar Series* in the Interdisciplinary Center for Bioethics at Yale University

TEACHING

- 2016 – May Recipient, *Outstanding Graduate Student Instructor Award*, University of California at Berkeley
- 2016 Invited lecturer, University of California at Berkeley
Terms: Spring 2016
Course: Human Diet (ENVIRONMENTAL SCIENCE 159)
- 2012-2015 Graduate Instructor, University of California at Berkeley
Terms: Spring 2012, Spring 2013, Spring 2014, Spring 2015
Course: The American Immigrant Experience (DEMOGRAPHY 145 & HISTORY 139B)
- 2014 Instructor, Department of Sociology, University of California at Berkeley
Term: Spring 2014
Course: An Introduction to the R Statistical Environment for Social Scientists

PROFESSIONAL MEMBERSHIPS & SERVICE

- 2011 - 2015 Trainee, National Institute on Aging Training Grant (PI: Joshua Goldstein)
- 2011 - Present Member, Population Association of America (PAA)
- 2012 - Present Member, American Sociological Association (ASA)

Occasional Reviewer for: *Psychology and Aging*, *International Journal of Aging and Human Development*, *Journal of Gerontology: Psychological Sciences*, *Journal of Applied Gerontology*

OTHER

Language Proficiencies: Korean, Spanish

Programming Proficiencies: R, Python, Stata, and SAS
